

# APRIL

## Autism Awareness Month

*The following list shows possible signs that your child is at risk for an autism spectrum disorder. If your child has any of the following, please ask your pediatrician or family doctor for an evaluation:*

- No big smiles or other warm, joyful expressions by six months or thereafter
- No back-and-forth sharing of sounds, smiles or other facial expressions by nine months
- No babbling by 12 months
- No back-and-forth gestures such as pointing, showing, reaching or waving by 12 months
- No words by 16 months
- Any loss of speech, babbling or social skills at any age

for great kids!
